Personal Statement

I am a Korean-Kiwi New Zealander born in Auckland. I previously held positions in various sectors including carpentering, residential painting, customer services(hospitality) and the Real Estate industry. I am driven and seek passion in everything I do. My aim is to learn more knowledge and skills in software development, and also want to develop myself further and prove my capacity as an ambitious young man supporting a family of his own.

Work History

1. Andy and Peter 2012-2014 Assistant (Staff)

2. Geeks on Sainsbury 2015-2016 Barista & Manager
 - A founding member in a local café responsible for both professional barista services and leaderships required as a manager.

3. Blaz Construction Ltd 2016-2018 Carpenter (self-employed)
 - Contract self-employed carpenter more than 2 years of experience with wide range of expertise on both residential and commercial properties.
 - Professional achievements include housing constructions, renovation of properties and installation of claddings.

4. Barfoot and Thompson 2019-2022 Real Estate Salesperson
 - Contract self-employed Real Estate Salesperson in a Top team of more than 2 years of experience. Working for customers with my knowledge and skills to achieve their needs and wants.

5. Good Shepherd Painters 2022-2023 Residential Painter
 - Running my own business as a Painter, taking care of customers' needs and wants.

Responsibilities:

- Training new waiting staffs.
- Stocktaking and inventory management.
- Management and organization of general schedule of the café.
- Basic food and drink preparation.
- Enhanced customer service and communication skills.
- Financial responsibilities including cash handling.
- Teamwork and leadership by leading rather than bossing.
- Preparation and closing of the service and required skills.
- Organizing the business timetables for bookings.
- Basic hairdressing services including shampooing and treatments.
- In charge of training the trainees.
- Receptionist duties including cash handling.
- General customer services that brought solutions.
- Cooperation and management of fellow team members to achieve group projects.
- Providing knowledge and know-how to fellow builders
- Effective time management
- Expertise in the field, including proper and appropriate usage of all equipment.
- Providing knowledge and know-how to help Vendor or Buyer to achieve their wants and needs.
- Effective time management.
- Enhanced customer service and communication skills.
- Preparation and closing of the service and required skills.
- Listen and understanding what customer needs.

Personal Interests

I enjoy working out and socializing to continuously improve myself and share the love and joy with those I care about. My passion lies in learning new things and working with others to achieve things beyond individual efforts. Personal goals include maintaining a happy family with successful career in software development.

Education

- Pre-foundation (NCEA Level 2), ACG Parnell College, 2011
- National Certificate in Real Estate Level 4 at Tafe College, 2019
